LEVEL 5 CERTIFICATE IN TEFL

Teach English as a foreign language anywhere in the world with a globally-recognised qualification that will train you in lesson planning, classroom management and the specific skills needed to teach language.

Who is the course for?

The Level 5 TEFL Certificate is designed for new and experienced teachers who want to develop the skills and theory needed to work as teachers of English as a second language anywhere in the world.

Learning Outcomes

By the end of this course, attendees will be able to

- Understand the rules of the English language and how to convey these in a foreign language classroom.
- Understand the nature of foreign language skills and how to develop them.
- Understand and apply basic standard teaching procedures appropriately.

Topics covered

The course itself is divided into 11 modules:

- Principles of Teaching English as a Foreign Language
- Understanding English Grammar
- Teaching English Grammar
- Teaching English Vocabulary
- Teaching Productive Skills: Speaking and Writing
- Teaching Receptive Skills: Listening and Reading
- Materials and Aids for Teaching English
- Teaching Pronunciation of English
- Lesson Planning for Teaching English as a Foreign Language
- Teaching English as a Foreign Language to Young Learners
- Using Resources Effectively When Teaching English as a Foreign Language

- Select, design and review teaching materials and lesson plans appropriate to specific teaching situations.
- Demonstrate an ability to work independently.
- Improve employability through developing awareness of the relationship between learner needs and the practical application of teaching methodology in the language classroom.

Assessment

Assessment is through the submission of different types of assignments. Assessment methods for this qualification include essays, case studies, checklists, observations, a portfolio of evidence, professional discussion, written and oral questions, a reflective learning journal and self-evaluation.

Learning online

Distance learning is for self-guided, busy individuals who want full control over their learning. With this mode, you will be given 24/7 access to the Learning Management System where you will find all course information and resources. Study and submit assignments at your own pace and have access to expert tutors whenever you require guidance.

The Level 5 TEFL Certificate is taught in line with the Qualifications Credit Framework, meaning your learning is flexible and can be completed at a pace that suits you.

Accreditation

Notting Hill College is a British leading provider of educational services. We are a member of the international community and pride ourselves on being a member of different international associations. Our adherence to the international standards of the training industry has enabled us to establish and maintain a global reputation for top-of-the-line courses and services.

Notting Hill College has trained thousands of teachers since its establishment in 2004 and is accredited by BAC. The accreditation ensures that our courses are of the highest standard and are in line with the education expectations of British institutes. Notting Hill College is an approved centre of TQUK, an awarding body recognised by Ofqual.
