

# ADVANCED DIPLOMA IN TRAINING OF TRAINERS (TOT)

Empower existing trainers to keep up with the virtual age

Due to rapid global changes threatening the prevalence of traditional methods of training, Nottingham Hill College has launched the Advanced Diploma in Training of Trainers: in E-Learning to support trainers everywhere as they move their work into the virtual world.

**Duration: 36 Hours**

**Mode of Study: Virtual Campus**

Course information 

Our Mission 

How to apply 

Click on the icon to take you to the webpage

Deepen your knowledge of the theories of training and move successfully into an online teaching environment without lessening the quality of your sessions. Learn the practical skills of virtually conducting engaging training and be able to utilise a range of online platforms to connect with your trainees.

Upon completing the Advanced Diploma in Training of Trainers: in E-Learning, you will earn an accredited certificate of achievement, classifying you as a certified virtual trainer.

## Who is the course for?

This programme is suitable for those who have completed Notting Hill College's Diploma in Training of Trainers and wish to gain a higher value qualification specialised in online training.

Teachers, trainers, lecturers, managers, coaches, public speakers, instructors, bloggers and more will benefit from being able to effectively transfer their classroom and training session skills onto a virtual platform.

## Learning Outcomes

By the end of this course, attendees will be able to

- Have refreshed knowledge about theories of training in order to be able to move teaching and training to the virtual environment.
- Create a virtual classroom and use digital programmes to keep the class alive from behind the screen.
- Create original training materials by using infographics, cartoons and online presentation tools.

## Topics covered

The course is divided into 7 modules:

- Tools of Planning
- Teaching Methods of Virtual Classrooms
- Remote Communication
- Pedagogical Design
- Digitalisation Tools
- Creating Virtual Classroom
- Methods of Online Assessment

## Assessment

Assessment is through the submission of 2 training projects and the completion of quizzes.

- Master posting training materials and course content on different platforms such as Google to connect with trainees.

## Learning online

Distance Learning is for self-guided, busy individuals who want full control over their education. With this mode, you will be given 24/7 access to the Learning Management System where you will find all course information and resources. Study and submit assignments at your own pace and have access to expert tutors who are there to support you.

With Hybrid Learning, you will receive all the benefits of Distance Learning plus up to twelve hours of one-to-one support with an expert tutor who will guide you through the course. The schedule is flexible and will be determined between yourself and our admission team in the UK upon enrolment.

On the Virtual Campus, you will meet with like-minded students from all over the world in taught sessions to engage in close-knit discussions of key subjects and discuss real workplace experiences. This is teamed with all the benefits of Distance Learning.

## Accreditation

Notting Hill College is a British leading provider of educational services. We are a member of the international community and pride ourselves on being a member of different international associations. Our adherence to the international standards of the training industry has enabled us to establish and maintain a global reputation for top-of-the-line courses and services.

Notting Hill College has trained thousands of teaching and training professionals since its establishment in 2004 and is accredited by BAC. The accreditation ensures that our courses are of the highest standard and are in line with the education expectations of British institutes. Notting Hill College is an approved centre of TQUK, an awarding body recognised by Ofqual.
