Duration:

300 hours

ABOUT THE COURSE

The Level 3 Award in Understanding Principles and Practices of Assessment is a knowledge-based programme designed for those embarking on a career in this field, leaving them equipped with the skills and understanding to perform the role effectively.

LEARNING OUTCOMES

Learning outcomes include:

- Understand the principles and requirements of assessment.
- Recognise and describe different types of assessment methods.
- Know how to plan assessment.
- Be able to involve learners and others in assessment.
- Feel confident in making assessment decisions.
- Understand your own contribution to the quality assurance of assessment.
- Be able to manage information relating to assessment of occupational competence.
- Know the legal and good practice requirements in relation to assessment

WHO IS THE COURSE FOR?

This course is suitable for those who are just starting a career in assessment in either the further education, skills sector or the private sector. It is also useful for those who require some knowledge on assessment practice as part of their role and will assist those who work in accredited or non-accredited learning organisations.

TOPICS COVERED

The course consists of one module, namely Understanding the Principles and Practices of Assessment.
