

NHC DIPLOMA IN ENGLISH PHONETICS & PHONOLOGY

Pronounce and teach English correctly.

Mode of Study:
>Hybrid Learning
>Distance Learning
>Virtual Campus

Duration:
120 hours

ABOUT THE COURSE

The Diploma in English Phonetics and Phonology is a distinguished course focusing on basic analysis of linguistic data. Become familiar with the phonetic and phonological systems of the English language and be confident that you are using English speech correctly.

Study the micro and macro levels of English pronunciation, and dive into the topics of acoustic phonetics and the general principles of phonological rules and representations.

WHO IS THE COURSE FOR?

This course is for teachers or anyone who seeks understanding of phonetic and phonological systems in the English language. Learning about these two elements is essential because you will learn how to pronounce English words correctly in order to communicate effectively in a classroom or with other people.

MODULES

The course is divided into three modules, each with its own topic.

Module 1

Phonetics: Description and Transcription

Module 2

Phonology: Aspects of connected speech

Module 3

Conversation & Pragmatics: Real Dialog and Conversation

ASSESSMENT

Assessment of this course will take the form of quizzes and three audio recordings of prepared script.
