

CERTIFICATE IN TEACHING ONLINE COURSES

Transfer your teaching skills to an online context

Mode of Study:
Virtual Campus

Duration:
375 hours

ABOUT THE COURSE

In each session, attendees will have the opportunity to deliver a micro teaching task with a focus on using elements covered in the course.

WHO IS THE COURSE FOR?

This course is for both experienced or recently qualified teachers who seek to expand beyond the classroom into the virtual space.

LEARNING OUTCOMES

Learning outcomes include:

- Explore the importance of building rapport in an online teaching context.
- Identify a range of GTKY activities for the online class and be able to design further examples.
- Identify key areas of importance for managing the online classroom.
- Identify and explore examples of teacher talk and ICQs in the online classroom.
- Modify teaching materials and tasks to suit the virtual learning environment.
- Differentiate between a range of digital tools and explore how to apply them effectively for our own teaching context.
- Develop lessons using the flipped class approach.
- Demonstrate effective teaching of skills using various digital tools.
- Deliver a short micro task with a focus on classroom management.
- Reflect on micro-teaching performance and identify areas of development.

TOPICS
