The Diploma in Teaching Young Learners aims to develop teachers' knowledge and practical skills required to teach young learners effectively during these stages and to set children on course for their future schooling.

Be able to easily apply practical approaches and plans for young learner lessons within your classroom and prepare materials and ideas for specific activities. The course is based on teaching practice and lesson evaluation, and is overtly practical in content and approach.

## Who is the course for?

This course is perfect for both newly-qualified teachers who have limited experience in teaching young learners and experienced teachers who wish to polish their skills. Participants gain knowledge and skills in teaching children aged 3-10 years old.

## **Learning Outcomes**

By the end of this course, attendees will be able to

## Learning online

Distance Learning is for self-guided, busy individuals who want full control over their education. With this mode, you will be given 24/7 access to the Learning Management System where you will find all course information and resources. Study and submit assignments at your own pace and have access to expert tutors who are there to support you.

With Hybrid Learning, you will receive all the benefits of Distance Learning plus up to twelve hours of one-to-one support with an expert tutor who will guide you through the course. The schedule is flexible and will be determined between yourself and our admission team in the UK upon enrolment.

On the Virtual Campus, you will meet with like-minded students from all over the world in taught sessions to engage in close-knit discussions of key subjects and discuss real workplace experiences. This is teamed with all the benefits of Distance Learning.
