ABOUT THE COURSE

Teach English as a foreign language anywhere in the world with a globally-recognised qualification that will train you in lesson planning, classroom management and the specific skills needed to teach language.

LEARNING OUTCOMES

Learning outcomes include:

- Understand the rules of the English language and how to convey these in a foreign language classroom.
- Understand the nature of foreign language skills and how to develop them.
- Understand and apply basic standard teaching procedures appropriately.
- Select, design and review teaching materials and lesson plans appropriate to specific teaching situations.
- Demonstrate an ability to work independently.
- Improve employability through developing awareness of the relationship between learner needs and the practical application of teaching methodology in the language classroom.

WHO IS THE COURSE FOR?

The Level 5 TEFL Certificate is designed for new and experienced teachers who want to develop the skills and theory needed to work as teachers of English as a second language anywhere in the world.

TOPICS COVERED

- Principles of Teaching English as a Foreign Language
- Understanding English Grammar
- Teaching English Vocabulary
